

DODGE CITY COMMUNITY COLLEGE  
presents

# TECHNO-COM: CD-ROM

*A nation-wide interactive teleconference designed to*

- Supply an overview of CD-ROM technology & CD-ROM workstations
- Stimulate innovative uses of CD-ROM for instructional support
- Promote the participation of library/LRC personnel in shaping the future of this exciting information technology
- Provide in-depth information about available products & costs
- Present an overview of library receptivity to CD-ROM products
- Suggest a variety of uses for CD-ROM in Library/LRC environments
- Address cost structures & implementation issues
- Outline the latest trends in CD-ROM product development & marketing

Date: Wednesday, April 27, 1988

Time: Registration, coffee and donuts at 9:00 A.M.
